ABOVE: The cover of *Donald Duck and the Hidden Gold*, a 1951 book from Simon and Schuster's Young Readers' Library. The title page includes the first printed credit Al Taliaferro received for drawing Donald Duck.

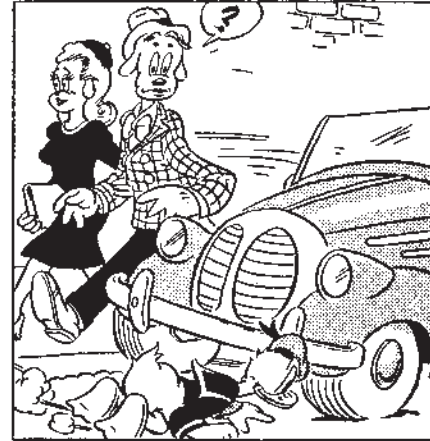

PUBLISHER'S NOTE: These comic strips were created in an earlier time and may contain cartoon violence and occasional historically dated content, such as gags about smoking, drinking, gunplay, and racial stereotypes. Needless to say, Donald wouldn't mix it up with these elements today; we include them here with the understanding that they reflect a bygone era. Enjoy the show!
