HEROES OF THE GALAXY
"Artoo-Deetoo... what mess have you gotten yourself into this time?"

"Why I put up with your unending malfunctions is beyond me! We have been ordered to report to the command center, and you are going to make us late!"

We're to report to engineering and droid repair? Nonsense! We have important tasks we were assigned to! How can we do them from engineering?

Visitor relations? You're making no sense, you clattering bucket of bolts! Why--

Visitor relations? You're making no sense, you clattering bucket of bolts! Why--

Clearly, we have been dispatched to keep our visitors entertained while they wait for our repair services to be online.

Oh! My deepest apologies! Artoo, you could have told me we had guests! Now I understand our mission...

Sigh. Why am I always the last to know?

Thunk!
"DID YOU KNOW THEY CALL HIM THE HERO OF THE REBELLION? SO EXCITING! BUT HAVE YOU HEARD OF HIS EARLIER ADVENTURES?"

"SUCH A CURIOUS YOUNG BOY, ALWAYS SEEKING TO EXPLORE..."

"...IMAGINE THE TROUBLE HE WOULD GET HIMSELF INTO..."

WHAT? WELL OF COURSE THEY KNOW LUKE MADE IT OFF TATOOINE! BUT THEY DON'T KNOW EVERYTHING! THAT'S THE POINT!

WWWURRRRRUGH!

BECAUSE THE BEST STORIES ARE ABOUT STRUGGLE, AND OVERCOMING CHALLENGES! THE JOURNEY, NOT THE DESTINATION!

"TATOOINE... TRUST ME, THOUGH WE WERE ONLY THERE BRIEFLY, I WILL NEVER FORGET THAT PLANET! A T errorfully UNFRIENDLY PLACE!"

"SAND PEOPLE, JAWAS, MASSIVE AND MONSTROUS CREATURES AT EVERY TURN..."

WWWURRRUDEE BAAAA![!]
"DARTH VADER? WHY WOULD I TELL A STORY ABOUT DARTH VADER?"

"OH! IT CHILLS MY CIRCUITS TO EVEN THINK ABOUT HIM! POWERFUL AND DANGEROUS AND SO ANGRY!"

"UNLIKE YOU ARTOO, I ACTUALLY MET HIM ON BESPIN! AND I WAS LUCKY ENOUGH TO ESCAPE THAT NIGHTMARE WITHOUT HIM EVER NOTICING ME!"

"CAN YOU EVEN IMAGINE? NO... OF COURSE YOU CAN'T!"

"BUT I SAW DARTH VADER WITH MY OWN EYES, AND I ASSURE YOU, ONE TIME WAS MORE THAN ENOUGH!"
The struggle between the Sith and the Jedi? Where do you get these notions, 3PO?

Well, if you know so much, then you try telling a story. Lucky for you, I'm considerate enough to translate!

“A gifted Force user, Asajj sadly turned to the side of darkness—to the side of the Sith!”

“She rose in power quickly, her name a source of dread and fear.

“Go much anger... and where does it lead? Always to violence.”
